I thank the military is for certain people  
not everybody is cut out to the military.  
No I do not agree with the ~~opinion~~ opinion  
that all Americans, both men and women,  
should be required to perform ~~for~~ two years  
of military service?

**Score Point: 1**

This response reflects fundamental deficiencies in persuasive writing skills. The writer states a position against requiring all Americans to perform two years of military service. There is only minimal support for this position (is for certain people; not everybody is cut out for the military). The remainder of the response is a copy of the prompt.
